

## **NON-FRENCH SPEAKING VISITORS**

Welcome to [technokaz.org](http://technokaz.org)

At the moment, technokaz is not configured to accept orders from customers with a non-French address.

However, you can send me an email and I will do the necessary steps to validate your order.

I will just need your mailing address and the components you desire.

Regarding shipping costs, it will depend on the price and weight of the order and the carriers available.

For the payment of the order, it is a SEPA transfer, you will have my IBAN in the confirmation email.

In any case, do not hesitate to contact me for any particular request. However, it may take me a few hours or even a day to respond.

THANKS
